

STUDENTS EXPERIENCE AN AMAZING FOOTBALL TOUR TO HOLLAND!

On Saturday 26 October 72 students and 8 staff arrived at Collingwood in the very early hours of the morning after what I have been led to believe was the longest half term we have ever had. None the less we were all incredibly excited for the next few days and the Football Tour to Holland.

We set off from Collingwood on two coaches at around 7.15am to catch a midday ferry to Calais. The journey to Dover was uneventful and we arrived with plenty of time to ensure we boarded our ferry. The 90-minute ferry journey went by quickly and we were all back on the coaches to continue our journey to Rotterdam, Holland. The students kept themselves entertained watching iPads, playing on their phones and for the most part eating sweets! After driving through France and Belgium we finally made our way to Holland and arrived in Rotterdam at around 8.00pm after a long day travelling. All students and staff were incredibly tired, but we made our way to the hotel, had some dinner and then swiftly went to bed ready for Day 2 and the beginning of our activities.

FROM THE PRINCIPAL

PPE (Mock) Season

It's that time of year again when the exam desks are out, and our Years 11 and 13 students start their first round of GCSE and A level PPE examinations. I have received positive feedback so far from our examination team and pastoral staff about their excellent attitude and behaviour towards this important experience. Please encourage your child to attend revision and support opportunities that are available during and after the College day. A good start which bodes well!

Odd Socks Day

Yesterday I was delighted to see our students marking anti-bullying week by wearing odd socks. It was encouraging to see so many of our students getting involved and acknowledging our diverse student and staff body, and showing once again that our value of inclusiveness is important to all!

Monday 25 November: Additional College Day Closure

STUDENT RECEIVES VALUES AWARD

As an addendum to last week's article, we would like to congratulate Max Hannay (10I) on receiving a Values Award Card for Integrity.

Mrs Marden - Assistant Principal/Assistant Head of English

DEBATING NEWS!

The England Debating team has been busy over the past months replacing their outgoing members such as Ellie Bean (Captain) who have all gone to university.

Hundreds applied to be part of the new team from schools all around the country. Just over 60 were shortlisted to attend selection during the weekend of the 2 and 3 November. Most of these were then knocked off on day one with just a small number going through to the second day.

I am delighted to inform you that Bethan Wood (11J) has been selected for the new England Squad. This is a huge achievement, not just for Bethan, but for the College who will be unique in having back-to-back members of Team England. Ellie Bean was not a one-off, but part of a fantastic pattern of success. Yet again, Collingwood is the only state school in England able to provide members for the National team.

Bethan will now be training and working hard with the rest of the squad, hoping to represent Team England in Panama next year at the world championships.

Mr Baird - Debating Team Coach

FROM THE PRINCIPAL

England Debating Team

Congratulations to Bethan Wood, in Year 11, for being selected for the new England Debating team! Bethan will now train with the rest of the squad hoping to represent England in Panama in next year's World Championships!

Collingwood is proud to have back-to-back members of Team England and is the only state school in the country providing members for the National team!

Advance notice – Alternative Arrangements for the Start of the College Day on Wednesday 27 November

To aid our preparedness for cold weather over the coming months, we will be trialling some alternative arrangements for students arriving to College on Wednesday 27 November. This is to ensure that we have the procedures in place to make certain that every student who arrives on a day when snow may need to be cleared from walkways, has safe access to the site, thereby reducing the likelihood of future snow closures.

On Wednesday 27 November, only two entrances to the College will be available - the usual Barossa pedestrian entrance and doors to the front of Kingston building - accessed through the Kingston car park entrance gate. Therefore, pedestrians should be aware that access to the site on Wednesday 27 November will not be available through Ballard gate as this will remain locked.

Many thanks in advance for supporting these alternative arrangements. We apologise for any inconvenience caused, but this is a necessary run through of how such a morning may pan out ahead of inevitable snow days in the future. For that morning and also future snow days, students arriving late as a result of this 'detour' will not be marked late.

A further reminder will be sent via EduLink nearer the time.

Holiday Dates for 25-26 Academic Year

I am sure all parents and carers will agree that the first half term of the academic year is always the hardest - it is inevitably the longest and the time when coughs and colds can impact significantly on student and staff attendance. We have therefore decided that for the next academic year we are going to use two of our Additional College Day Closures to shorten the first half term and lengthen the October half term holiday (by two days) rather than at the end of the academic year in July.

This will mean that the last day of the half term will be Wednesday 22 October. Half term holiday will begin on Thursday 23 October and will end on Friday 31 October.

I wanted to give you plenty of notice of these dates in case you were wishing to make family arrangements or book early holidays, etc. All of these changes appear in our College calendar.

Miss Watling - Principal

STUDENTS EXPERIENCE AN AMAZING FOOTBALL TOUR TO HOLLAND!

CONTINUED FROM PAGE 1

Day 2 started with a late breakfast at 9.00am followed by a walk around the local area to visit some of the shops, but most importantly it allowed the staff to make a visit to the local Starbucks. It was fantastic to see that within a short space of time many students had already got into the Dutch spirit by purchasing some retro Holland shirts with 'Gullit' on the back, swiftly joined by Mr Andrews! After enjoying the lovely sunshine in Rotterdam, we made our way back to the hotel for the students to set off for their first training session at Feyenoord's training ground. As with all football tours the students arrived at an outstanding training facility with multiple 4G pitches. The students quickly changed and were greeted by the Feyenoord coaches in readiness for their first session. The 90 minutes seemed to fly by with all students fully engrossed in what the Feyenoord coaches were teaching them.

After training we set off to our first activity of bowling. There were certainly some interesting bowling techniques on display throughout the afternoon but unfortunately it was Mrs San Emeterio that took the wooden spoon in the staff game, and I was not quite sure about the students. The last outing of our first day was to the AZ Alkmar stadium where we watched AZ play Go Ahead Eagles. This was quite possibly one of the best pre match build ups I have ever seen with strobe lighting and dance music getting the crowd ready for the match. The game itself was a very entertaining 2-2 draw. What an end to our first full day in Holland.

Day 3 began with an 8.00am breakfast and a 9.00am pick up ready to travel to Efteling Theme Park. Students and most of the staff were very excited to take in all the rides at the theme park. Unfortunately, Mr Saunders had made it known before the trip that he did not like rollercoasters so after quite a bit of persuasion we did manage to get him on one ride during the day, a very good achievement for himself.

After a full day of theme park rides, we travelled to RVVH Football Club for our first set of fixtures against Dutch opposition. The girls and the U14 boys played first and looked incredibly smart in their brand-new tour strip. The girls played some fantastic football throughout their game and managed to secure a 3-1 win. The pick of the goals was from Chloe Edwards - a solo run sitting down both defenders and the goalie. The U15 boys also played incredibly well securing a 6-2 win - notable performance from Freddie Hoare with 5 goals. Both games were played in great spirit and they all enjoyed food together after the game.

CONTINUED ON PAGE 5

STUDENTS EXPERIENCE AN AMAZING FOOTBALL TOUR TO HOLLAND!

CONTINUED FROM PAGE 4

Next up the U16 and U15 teams played their first games. The U16 team had a very good game against a strong opposition, unfortunately finishing with a 3-2 loss on the night. The winning goal was a very dubious penalty decision which I explained to the boys that, at times, especially playing away from home, you will get these decisions. The U15s also had a very close game, unfortunately losing 1-0 in the end. This was an incredibly long day for all

students, but they all acquitted themselves incredibly well and were certainly ready for bed when we arrived at the hotel around 10.00pm.

Another early start for Day 4 and the daily Starbucks run for staff as well as quite a few students by this point. Mr Andrews then took a call from the rep to say that training would be a little different this day as the Feyenoord 1st team were due to make an appearance to meet and greet their fans before the big derby game against Ajax on the Wednesday.

Sebastian, the rep, said they were expecting a few thousand people so

rather excitedly we boarded the coaches and made our way to our final training session. Once arrived, the students quickly changed and made their way out to training. Whilst the students were training, Mr Andrews and Mr Cleary made their way to the Feyenoord stadium to pick up a few things and whilst walking to the stadium and then back again they both soon realised that this event might be a little more than they initially thought.

Once the students had finished training, we made our way round to the main training pitch to be greeted by nearly 1500 Feyenoord fans who were letting off fireworks and flares in anticipation for the 1st team to come out on to the pitch. The most bizarre thing about all of this was that it was only 12.00pm in the middle of the day! As the Feyenoord 1st team took to the pitch, the atmosphere was like nothing I had ever seen before. More fireworks and red flares went up into the sky and music boomed across the pitch. Looking round at our students' faces told me everything I needed to know about just how amazing this was and something that came as a complete surprise. The Feyenoord 1st team proceeded to walk around the pitch, wave at the fans and

then leave after 20 minutes. Once they had left the pitch the fans soon followed and just like that it was completely silent again, a very surreal but amazing experience for our students.

CONTINUED ON PAGE 6

STUDENTS EXPERIENCE AN AMAZING FOOTBALL TOUR TO HOLLAND!

CONTINUED FROM PAGE 5

After the training session we began our tour of the Feyenoord stadium. As with all stadium visits, it is amazing to see the excitement in students' faces as they visit where the players enter the stadium, the changing rooms and most importantly being pitch side to see the incredible playing surface.

Once the tour had finished, and a quick visit to the stadium shop, we were back on the coaches for the final games of the tour. The U14s and the Girls' team played Jodan and the U15s and U16s played VV Zwavulen. The girls once again came away with a brilliant victory and an excellent team performance by all students. The U14s were also again successful in their game. The U16s had a more comfortable evening with a 7-0 victory and a notable hat trick from Charlie Cowler. The U15s unfortunately had a slightly tougher evening with a heavy loss. Once again, all games were played in excellent spirit and it was great to see all students embracing after the game and then all eating together.

On the final night of the tour, we had our usual presentation evening where each student was presented with a very nice Feyenoord bag, pen and pin badge. There were also many other awards given, in recognition of students' achievements that week, whether it was for scoring a hat-trick, man of the match award, most memorable moment or even riding your first rollercoaster!

The final day came and an early start for all meant we were up and out by 8.30am and on our way to Calais for the journey home. We had a very good journey home and made it back to Collingwood surprisingly early which never usually happens. To summarise, the football tour was once again an amazing 5 days away with an excellent group of students. Taking 72 students can always be a daunting task, but I must pay particular thanks to the 7 other staff who joined me: Mr Cleary, Mrs San Emeterio, Mr Beer, Mr Jarmyn, Mrs Goggin, Mr San Emeterio and Mr Saunders. Without these members of staff giving up their half term the trip would not have happened.

The next tour is already being planned so any student currently in Years 7, 8 or 9 please keep your eyes peeled for April 2025 when details will be released.

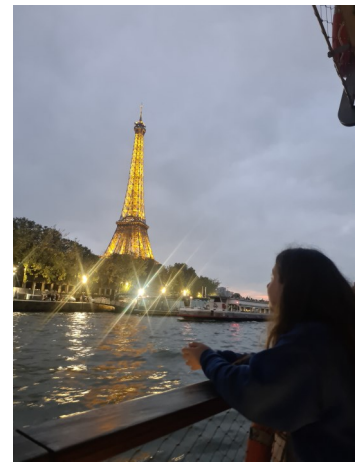

*Mr Andrews - Football Tour
Co-ordinator / PE Department*

PARIS WOWS OUR STUDENTS!

The half-term Languages Department trip to Paris was absolutely wonderful! We had a great time exploring the city and went on a boat cruise on our first day. Of course, we visited several famous landmarks: The Eiffel Tower, The Palace of Versailles, Sacré Coeur, The Louvre and the Montparnasse Tower.

We experienced a lovely Halloween celebration at Disneyland Paris which students really enjoyed. We tasted delicious food and students practiced their French by chatting to the locals at the food markets, shops and restaurants.

This trip was very special and we really enjoyed the Parisian lifestyle!

Thank you to everyone on this trip who made it unforgettable.

We can't wait to go back!

BOOST DAY AT WELLINGTON COLLEGE

On Wednesday 6 November eight students from various year groups were asked back to Wellington College for a 'Mountain Rescue' Day.

These certain students have now attended Wellington College on three occasions over three years. During the first year they participated in a low ropes and high ropes course and then in the second year a guest presenter talked to them about confidence, resilience and memory skills.

The final visit took the students outside again where they worked as a group and mixed with students from another secondary school. They spent the morning learning how

to use equipment to rescue a 'dummy' from a low level ravine. This then turned into a high level ravine in the afternoon where they repeated the task, but with limited help from the instructors.

The students had a great time and all worked really well together to complete the task.

Well done.

Mrs Daniel

PARENT GOVERNOR NOMINATIONS

A reminder that the nomination forms for the Parent Governor vacancies should reach the Clerk to the Governing Board by 5.00pm on Wednesday 20 November 2024, either by post or email.

If you have any questions or require further information, please contact me on s.rutherford@collingwood.surrey.sch.uk.

Mrs Rutherford - Clerk to the Governing Board

YEAR 8 SKILLS DAY AT WELLINGTON COLLEGE

"I enjoyed the workshops the most because they were really fun, they didn't require much brainwork and everyone was included."

On Wednesday 23 October 12 Year 8 students descended on Crowthorne for a study skills day. It is an annual event hosted by an external company at the prestigious Wellington College. The day was divided into four sessions. Each session was hosted by some excellent leaders who are very passionate about the subjects they are delivering.

We began the day by being greeted in the Old Gym. This is a lovely building where the students were given an introduction to the day and told what to expect.

The first session was called 'What is Growth Mindset' and as well as giving the students a great deal to think about they were also asked to spin plates and learn to juggle!

"This trip was really fun and enjoyable. I really recommend it for other students."

The second session was 'Be Awesome, Be You' which concentrated on the biological structure of the brain and some SMART goal thinking strategies.

This was followed by a three-course lunch in the dining hall, courtesy of Wellington College. We were treated to soup, roast gammon and sticky toffee pudding.

The afternoon started with our third session on 'Memory Matters'. The students were given lots of different strategies to learn how to revise.

The final session of the day was 'Pathfinder'. The session started with sleeping lions but soon turned into an interactive activity learning about Association Maps.

The Collingwood students had a great day and cannot wait to be invited back to Wellington in the future.

"The skill trainers were very helpful at my S.M.A.R.T goals and I also loved the food."

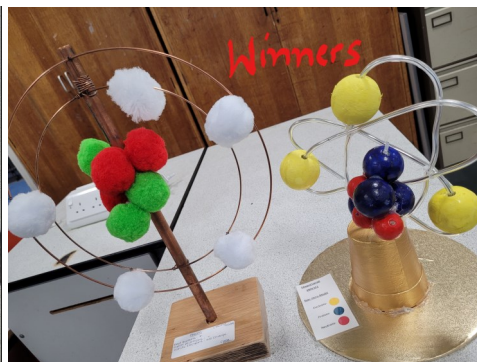

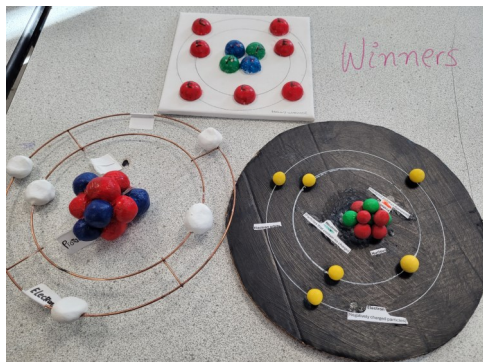

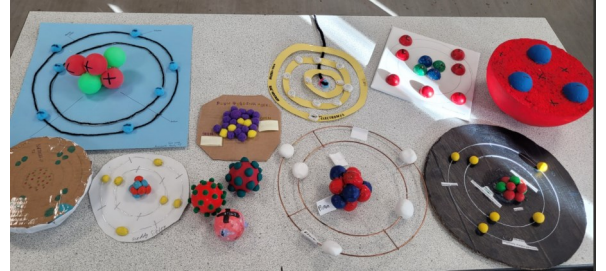

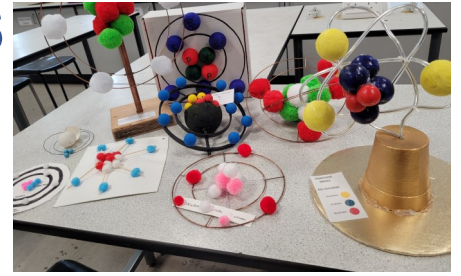

Mrs Daniel

YEAR 9 CHEMISTRY STUDENTS DEMONSTRATE CREATIVITY

Recently, I set a challenge for my two Year 9 Chemistry classes to use their innovative and creative minds to demonstrate their learning of the structure of an atom in a model.

I was extremely pleased and overwhelmed by the effort and the creativeness applied by students. Every model was unique and well-presented.

However, the winners who have been awarded 15 praise points were **Edward Carroll, Carla Comaneci, Rebecca Summers, Holly Warner and Christian Higgs.**

Well done to all students who made the effort to create the models.

Mrs Pari - Science Innovation and Achievement Lead / STEM and PiXL Edge Co-ordinator

YEARS 7 AND 8 STUDENTS DISPLAY EXCELLENT COOKERY SKILLS

Our Years 7 and 8 students have been impressing us in the kitchen with their enthusiasm, creativity and skill during their practical Food Technology lessons!

From mastering essential techniques to experimenting with flavours and presentation, they have shown brilliant progress and dedication. It is fantastic to see their confidence grow as they produce delicious and beautifully presented dishes.

Well done to all our budding chefs – keep up the great work!

Miss Conniford - Design and Technology Department

COLDS ARE EVERYWHERE AT THE MOMENT!

If your son/daughter has a cold, please can you prepare a 'Cold' pack for them to come to school with - this will help them manage a little better during the school day. Suggestions would be:

- ◆ A small pack of tissues
- ◆ Nasal decongestant inhaler stick
- ◆ Throat lozenges.

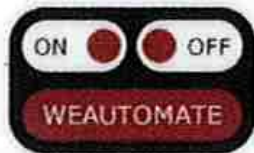

Furthermore, every day, even if they do not have a cold, please encourage them to bring in a water bottle to keep hydrated.

We are able to supply paracetamol for symptoms of colds, but if your children have symptoms before coming into school, please think about giving them cold and flu remedies before they leave the house.

Please note unless symptoms are very severe it is unlikely that they will be sent home with a cold during the school day. If they are very symptomatic, please do not send into school.

Thank you

Mrs Brew - School Nurse

CANDLELIGHT SOIRÉE 2024 - FRIDAY 6 DECEMBER - 7.00PM - KINGSTON THEATRE

You're invited to an evening of drama and artistry at Collingwood's Candlelight Soirée. This unique event will showcase the remarkable talents of our Drama students, who have been working hard to bring their performances to life.

Against a backdrop of candlelit warmth, each piece will captivate and inspire, offering a glimpse into the creativity and dedication that define our students.

From powerful monologues to engaging ensemble pieces, this is a night to celebrate the diversity of dramatic talent at Collingwood. With every performance, the atmosphere promises to be both intimate and electrifying.

Come and support our students as they take to the stage for an unforgettable evening of theatre.

Tickets are £3 (plus a small booking fee) and can be booked at:

LIBRARY INFORMATION ...

November in the Library

During the month of November, the library will be celebrating National Non-fiction Month – the theme will be Hobbies and Leisure Activities. If students would like to display a photo or picture of them participating in their favourite hobby/hobbies or leisure activity, then please either email s.blay@collingwood.surrey.sch.uk or bring them into the library. They will then be put up on the display throughout the month of November. The Top 3 most unusual or obscure pictures or photos of the student participating in their favourite hobby or leisure activity will win a prize - judging will take place on Friday 29 November

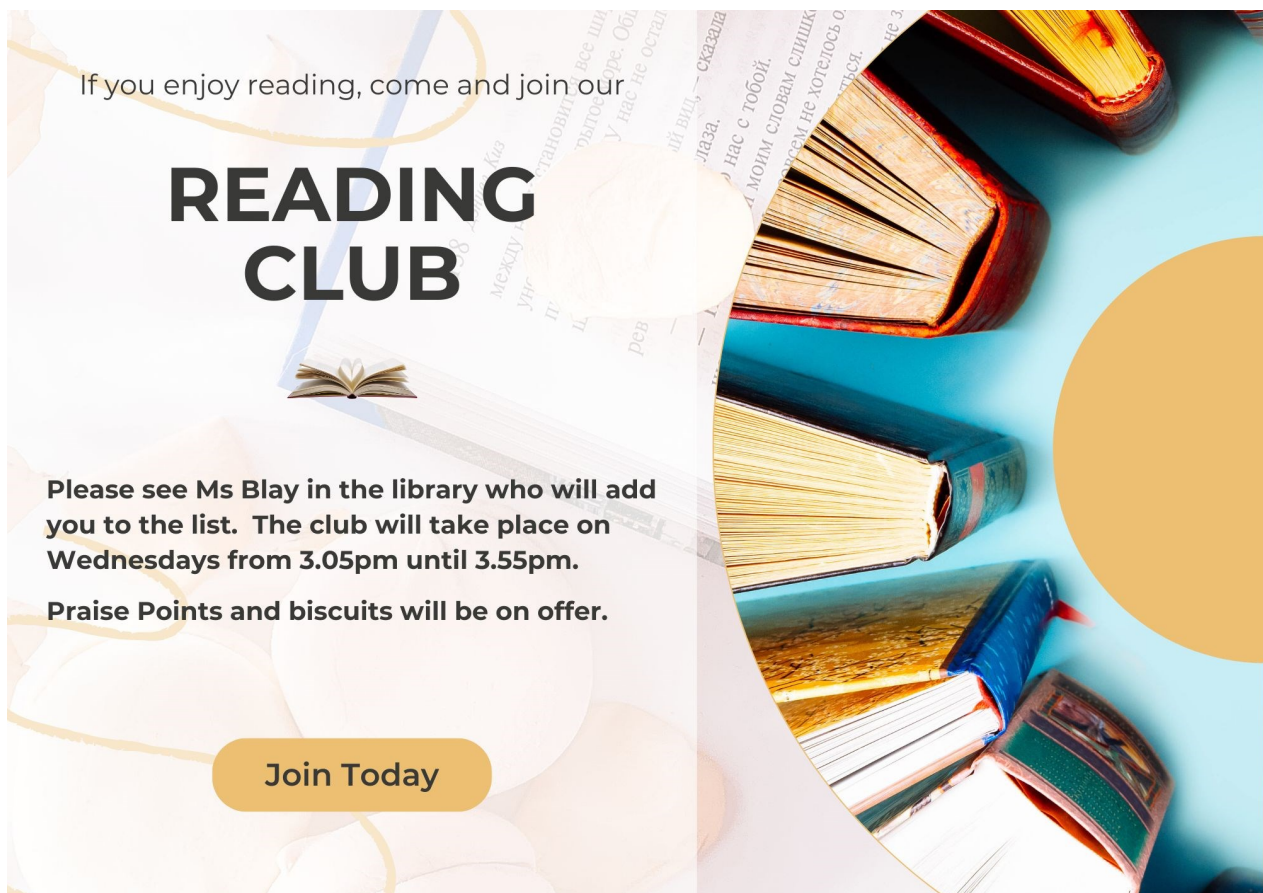

Overdue Library Books/DVDs

If your son/daughter has any overdue books/DVDs outstanding from the Summer break please ask them to return to the library as soon as possible.

One behaviour point will be added each week that any books or DVDs remain unreturned or not paid for.

If any student is unable to return the books or DVDs to the library during the opening times then please leave with a member of staff at either Barossa or Kingston Reception for the attention of Ms Blay - Library Manager.

Thank you for your support in this matter.

If you enjoy reading, come and join our

READING CLUB

Please see Ms Blay in the library who will add you to the list. The club will take place on Wednesdays from 3.05pm until 3.55pm.

Praise Points and biscuits will be on offer.

Peer Productions Visit Year 12!

Collingwood was lucky enough to receive a visit from Lucy Barton from Peer Productions, who worked with year 12 on developing their scripts, and adding physicality to characters. She also talked them through preparing for interviews, giving them advice like having a fun fact ready to go, speaking with clarity, and standing steady. Lucy spoke about the use of play and trust, and how to involve Frantic Assembly techniques in performance too.
