

## MUSIC PRODUCER VISITS COLLINGWOOD TO MEET ARTS AWARD STUDENTS

On Friday 11 November our Arts Award students had an opportunity to meet with music producer, Ads V, as part of their course.

Ads V came to share with the class his journey into the music industry and his career so far. Our Arts Award students were exceptional, and they conducted themselves impeccably, asked questions and listened. His wise words of wisdom were shared with the group with key themes such as following your dreams, being original, encouraging finding your own way and not listening to others who might try to put you down.

Students were given an opportunity to ask questions to Ads V and even had a chance to listen to some of his production beats that had been released. They also listened to a few exclusive production beats yet to be released. Some of these were for podcasts and all the way to released songs in the charts for a range of genres such as funk, pop, rap and drill.

### Year 11 PPEs (Pre-Public Exams)

We have been absolutely delighted with the conduct of students in the PPEs this week. Our invigilators have praised their behaviour and commented on how well students have worked. We have been trialling some exam booster breakfasts with targeted groups of students and we have been impressed with their dedication in turning up for these very important sessions. If these continue to prove popular, we will roll them out to more students for the February PPEs.

### Carol Service

Without a current music specialist, it will not be possible to hold our normal Carol Service this year. This is such a shame as this is one of the highlights of the year. We have explored other formats, but it is not really feasible to have this event without an orchestra and musical contributions. We have informed St Paul's Church that we have cancelled this event, but have said we will back next year!

### College Fund Letter

I have decided that due to the exceptionally challenging financial situation that families are facing at the moment, **we will not be asking parents for any voluntary contributions this year**. Although our annual request does bring in a significant sum of money for the College to use to improve facilities, it does not seem appropriate to be asking parents for money at a time when many people are struggling with high energy bills and the ever-rising cost of food and essential items.

Of course, if any parent does feel that they would like to make a voluntary donation then this would be very gratefully received, and any monies raised would go towards assisting further improvements to the site. We would request that donations are made either by a one-off payment made by using ParentPay or by standing order).

## GLASTONBURY GOES GLOBAL!

On Tuesday 8 November, some talented Year 8 students took part in a very exciting challenge organised by Business Language Champions and facilitated by Collingwood College. For a few hours our students became global event organisers and were charged with planning a festival abroad. As part of the

organisation process, they engaged in phone conversations with local planners and 'celebrities' in the target language.

*"I really enjoyed the event, I found it really fun to do event planning and I liked the opportunity to improve my French and be able to speak to someone in French." Joseph B*

Students also learnt to work as part of a team and against the clock which sometimes proved challenging. They all received fantastic praise from the organisers and made the College proud!

Thank you and well done to Lucie Haslett, Mika Goodall, Scarlet Hedley, Joseph Bamman, Joseph Conte and Daniel Hughes.

*Ms Baudain - Head of Languages Department*

*I really enjoyed the independence of the event and the idea of creating our own festival whilst also learning about other cultures and languages. " Scarlet*

# COLLINGWOOD'S MENTAL HEALTH SUPPORT TEAM

Laura Jordan Rebekah Elena Ellie Charlotte

Dear Collingwood Parents/Carers

As you may be aware, we are your **Mental Health Support Team (MHST)**

and we are based across a selection of Primary and Secondary schools in

Surrey Heath. We work for Surrey and Borders Partnership Trust (SABP) within Mindworks – the new name for Surrey’s emotional wellbeing and mental health service for children and young people.

There is a known correlation between attainment and mental health, and we work within your school to offer additional support with the care and pastoral need that goes alongside education. We support children and young people’s emotional and mental health and hope to provide early intervention to prevent difficulties from becoming a problem and to reduce their impact on daily life.

Our aim is to work alongside Surrey Heath schools to implement a whole-school approach to mental health and well-being. In order to do this, we are completing a **Whole School Audit** and want to hear your views regarding what existing mental health support is available, as well as learn what provisions the school community would like in place. **The views of children, parents and staff at your school are fundamental to the work we are doing.**

Please complete our short questionnaire by scanning the QR code on the poster at the back of this newsletter or by using this link:

<https://forms.office.com/r/q9hYYjbfqw>

Many thanks. *Your MHST*

## Why Learn Languages?

### Reason #10: A Richer Life

Studying a new language, reading other people’s stories and connecting with people in their own language can be a source of pleasure and surprise. Learning about other cultures will help you expand your personal horizons.

“A different language is a different vision of life.”  
(Federico Fellini)

## DEBATING NEWS ...

Many congratulations to Ellie Bean who has been selected to represent England at the World Schools Debating Finals in Vietnam this summer. Ellie was on the previous team but needed to trial again along with hundreds of debaters throughout the country. Ellie trialled over two weekends up against stiff competition but was exceptional throughout.

Alex Baker and Chloe Burrows also really impressed at trials and await confirmation if they will be selected to the B team or the development squad.

Our senior debaters will compete against Wellington College today in the Schools Mace Round 1 and four junior teams will compete this Saturday in the LSE Juniors (all on-line).

*Mr Baird - English Department*

## ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

## Anti-Bullying Week

This week is Anti-bullying Week.

We invited students and staff to come into College wearing odd socks to participate in 'Odd Socks Day' on Monday 14 November, to celebrate being unique and to make a stand against bullying.

Here in the library, students have been busy creating some fabulous odd sock designs.

We have a selection of fiction and non-fiction books addressing the issues of bullying. Do not hesitate to ask if you need to find a particular title.

Can you please encourage your son/daughter to return any overdue library books/DVDs as soon as possible to avoid possible behaviour points. If you have any issues, please email: [s.blay@collingwood.surrey.sch.uk](mailto:s.blay@collingwood.surrey.sch.uk)
