

## YEAR 7 FAMOUS FRENCH-SPEAKING PERSON PROJECT

Every year, the Languages Department task their Year 7 French students with finding out information about a famous French-speaking person, and presenting this information in a creative and original way. This year, our Year 7 students have surpassed themselves and we have been inundated with amazing pieces of work. Each teacher selected four projects per class for the final, where we invited members of our Senior Leadership Team and Admin Team, as well as Miss Gulliford (Year Manager - Year 7) to vote for their top three projects.

We counted the votes on Friday night and for the first time ever, we have four winners with the exact same number of votes.

### Year 8 Basketball Success!

I was delighted to host a celebratory pizza lunch on Friday with the Year 8 girls' basketball team, after winning the District Basketball Tournament for the first time on Monday 10 February. They led to victories against three teams from SJB, Bishop David brown and George Abbot. Drawing their match with Woking High but scoring the most baskets overall, Collingwood were champions. Congratulations Maya, Freya, Jessica, Holly, Bella, Maddy, Leila and Daniella!

### Footloose

**The excitement is now building for our annual production and rehearsals are sounding fantastic.** I would like to encourage parents and carers to come along to this year's production of Footloose which is on Thursday 13 March, Friday 14 March and Saturday 15 March. I can promise you a fantastic evening where our talented cast will bring this classic story to life with dazzling dance numbers and unforgettable music. Tickets are £10 and are available now at [www.ticketsource.co.uk/collingwood-college](http://www.ticketsource.co.uk/collingwood-college). Please support!

## FROM THE LIBRARY ...

These displays have been designed for the library to celebrate 'Why You Love Your Library?', 'Diversity and Inclusion' and 'Author of the Month'.

Students have shared their thoughts on a pink heart as to why they love the library; these have been displayed for students and staff to read.

The Diversity and Inclusion display was designed by Bori Kuhn 10A as part of her DofE Volunteering.

Author of the Month for March is Noel Fitzpatrick; this display was designed by Daniel Ospina 10B as part of his DofE Volunteering.

The winners are:

- ◆ Joe Gibb for his fun and creative work on Gustave Eiffel
- ◆ Aiden Gaddour for his impressive project on Gustave Eiffel
- ◆ Myra Lee for a very interesting and informative display on Marie Curie
- ◆ Indy Bradbury-Stevenson for a very imaginative and fun creation on Rene Fonck.

In addition, the Languages Department would like to award a special prize to Esme Gibbs for a truly beautiful book on Monet.

I am so proud of all the students who took part and would also like to thank all the parents who supported their children with this project!

Prizes and certificates will be given out in assembly shortly.

A huge well done to our winners!

### Ramadan

A number of students will be observing Ramadan up until the end of March. Please can parents and carers remind their sons/daughters that the multi-faith room is available during break and lunch time for those that wish to pray. There are boards up to divide the different genders. Obviously, this facility will only be available to those students who are praying.

### Bronze DofE Training

I am delighted to report that our Year 9 DofE students were amazing this weekend. They behaved impeccably on both days and really bought into the very long days of activities and training. This bodes well for their assessment days.

### CCFA (Collingwood College Friends Association) Event

Just a reminder that we are holding a World Book Day event tomorrow led by our CCFA for parents, carers and friends. Pop into Kingston at 9.00am to celebrate this event with me, the CCFA committee and staff.

# EXCELLENT WORK FROM OUR KS3 TECHNOLOGY STUDENTS

Our Key Stage 3 students have now switched between Textiles and Food Technology, taking on new practical challenges. Before the swap, they produced some fantastic work, from impressive dishes in Food Technology to well-crafted projects in Textiles.

A huge well done to everyone for their efforts! We are looking forward to seeing what our talented students create in this half of the year.

*Miss Conniford and Mrs Adya*

## EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2025 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results, but it is very costly.

# YEAR 9 'A' SQUAD FOOTBALL RETURNS TO LEAGUE ACTION

**Wednesday 26 February saw the squad travel to Weydon School in Farnham for a resumption of league fixtures.**

A new line-up due to injuries, absence and other commitments, meant that it was a nervous affair.

Those incoming players, Jace De Jager, Henryjames Mather and Lewis Coy, all promoted from the 'B' squad shows what a depth of talent the College currently have. None looked out of place. Indeed, Jace was the Man of the Match.

After a nervous start, understandable with two new players in the back four, Collingwood started to take control. Weydon's best chances came from our mistakes, whilst their keeper was in inspired form making some fantastic saves.

0-0 at halftime was not a fair reflection of events, but two quick-fire goals from Lucas Wye made things far more comfortable. Despite Weydon pulling a goal back, we managed to see the game out, finally winning 2-1!

We now have one game to finish our league season which is against Ash Manor. It is tight – we currently stand in second place on goal difference of a single goal – all to play for.

In addition, the team is also in the cup quarter finals and are due to play either All Hallows or Ash Manor.

**Squad:** Bradley McKinnon, Freddie Hoare, Christian Higgs, Adam Robson, Aston Dempsey, Jacob Sturt, Maalik Abdelsalam, Eli Loveday, Harry Phillips, Jace De Jager, Henryjames Mather, Lewis Coy, Lucas Wye

*Mr San Emeterio - Year 9 Football Manager / KS4 Progress Leader*

## SUCCESS STORIES

Jordan is Autistic and has Global Development Delay which means he may take a little longer to learn new tasks and develop the coordination skills needed to carry this out.

Jordan first gained his taste of the workplace when he was supported by Employability Services to undertake a Supported Internship as part of his final year at college.

Jordan's hard work was rewarded post college with the offer of paid employment, and this is where he still remains today.

All this was possible due to the very supportive nature of his managers who say "Jordan is still learning to be more socially interactive with customers and colleagues and able to do his selected tasks to a high standard as well as assess when something needs doing without prompts".

Jordan has shown a great sense of resilience since leaving college

## Important Reminders

### Visits to School Site by Appointment Only

*We would like to remind you that visits to the College site must be prearranged and approved through prior communication with College staff. This ensures the safety and security of all students and staff and allows us to manage our time and resources effectively. As we are sure you will understand, it is simply not possible for our staff to be immediately available as they have teaching, duty or meeting commitments.*

*Please do not come into College expecting to see a member of staff without an appointment as this will be a wasted journey for you and cause you lost time and unnecessary frustration. If you need to meet with a teacher, staff member or College leadership, please contact the College office to schedule an appointment.*

### 3-day Response to Parental Communications

*We would also like to remind you that we have a **72-hour response** period for staff to reply to parental communications. It is obviously unreasonable to expect immediate responses to emails or messages when staff have full teaching and meeting commitments. This protocol also allows us time to investigate your communication and to reply with a detailed response to you. In all cases, we would ask parents to use the **[tc@collingwood.surrey.sch.uk](mailto:tc@collingwood.surrey.sch.uk)** email address to ensure communication is directed to the correct member of staff and to ensure an appropriate reply is made within 72 hours.*

*I very much appreciate your understanding and co-operation in adhering to these procedures and thank you for your support in maintaining positive College-parent/carers relationships.*
